

THE TRAIL OF THE CHEETAH

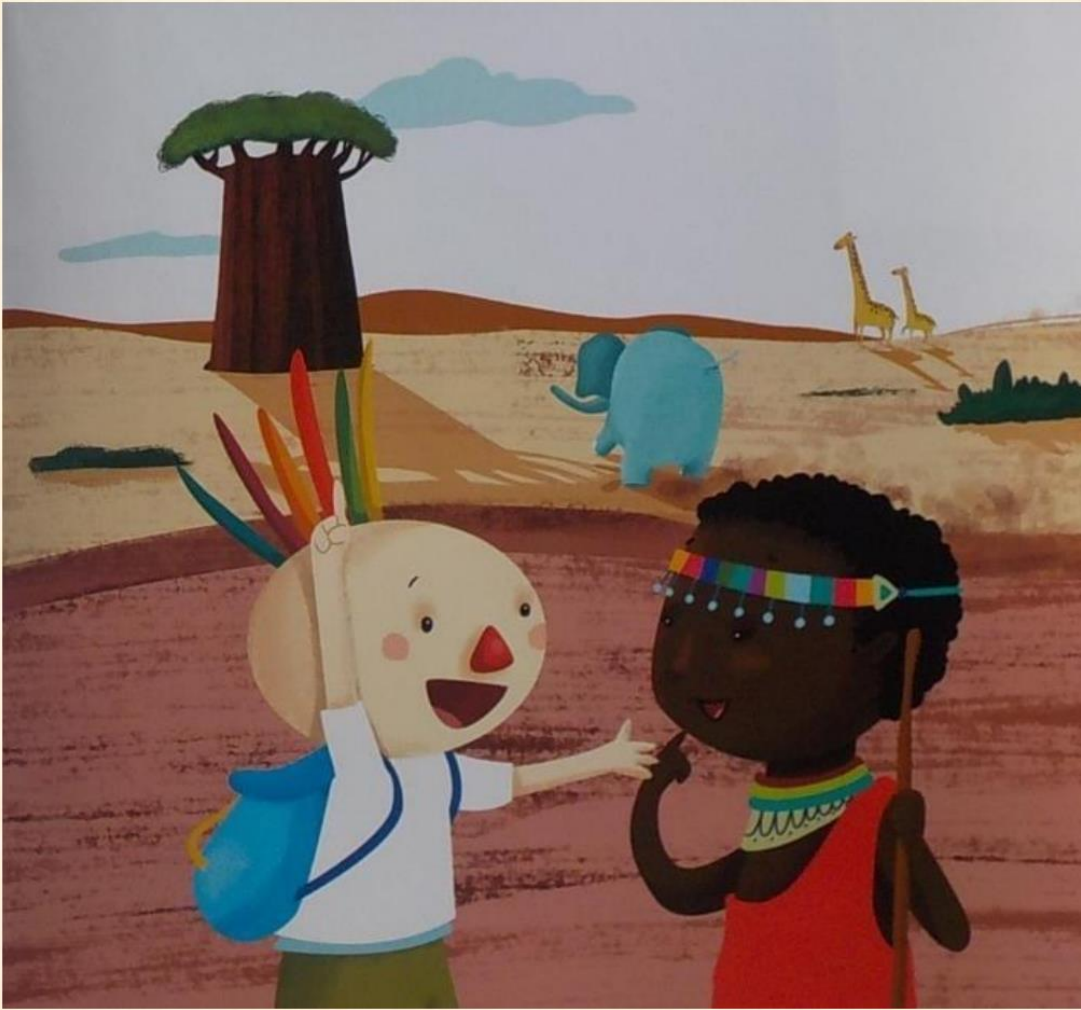

Which place is Moli going to visit?

What animals live in that place?

What do we call
this kind of
houses?

What do we call
people who live
in Kenia?

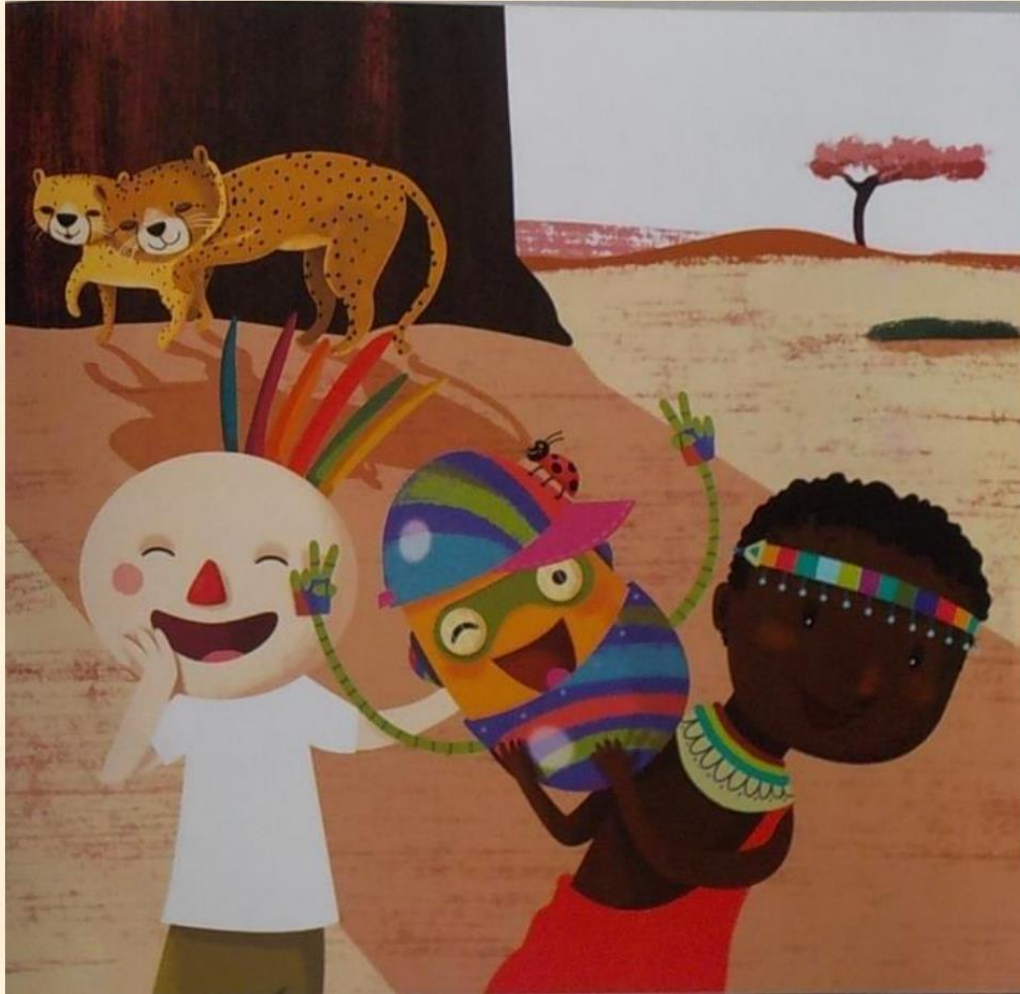

What do we call
that tree?
Is it big or small?

What is the name
of that animal?

Does it have spots or
stripes on his body?

Is it wild and
dangerous?

Who helped the
baby cheeta?

What does Next
have on his hat?
