

Let's create an autumn-doll

How's the weather? It's windy.
What animal is on the tree? It's a squirrel
How is Nuba? She is happy.

Who is that robot? It's Next
What season is it? It's autumn.
What happens in autumn? The leaves fall down.

Oh, what's that? It's a doll.
What is Next carrying on his hand? It's a camera.
What is a camera for? To take pictures.

Does the doll have eyes? Yes, it has
How many eyes does it have? Two, two eyes.
Can you smell with your eyes? No, jajaja.

What can you see in the doll? I can see the eyes and the nose.
Can you smell with your nose? Yes, jajaja.
Ohh, what is missing in the doll? The mouth.

Has the doll got a mouth? Yes, a happy mouth
Can she taste all type of food? Yes, jummy.
What do you use to listen different sounds? My ears.

Do you use your eyes to touch? Noooo.
And your mouth? No, my hands.
How many fingers do you have? Ten.

Are Nuba and Friends sad? No, they are happy
Why? Because the dolly has all the body parts.
